

MAIN TRAIL END-TO-END AWARD APPLICATION

FINGER LAKES TRAIL CONFERENCE

The Finger Lakes Trail Conference awards a **Main Trail End-to-End Award** in recognition of hiking the entire Finger Lakes Main Trail (approximately **560 miles**). Once you have submitted this **Application Form** and appropriate **Documentation of Hike(s)** you will receive:

- 2 End-to-End Patches
- End-to-End Name badge (funded by #5 Bob Muller)
- End-to-End Certificate and address labels (by J. Wensich)
- Listing on the FLTC website and in *The FLT News*.

Documentation of Hike(s)

You must include sufficient documentation of your hike(s). You may use the Excel spreadsheet available on the FLT website at <http://www.fltconference.org/trail/go-hiking/end-end-hiking/>, a Hiker Record provided below, or some written form of your own. Photographs and journal entries are always welcome. Consider writing a brief article about your quest. It is of great interest and motivation to other members and fellow End-to-Enders. Send a digital photo and article to the End-to-End Coordinator for submission to *The FLT News*.

Please contact the End-to-End Coordinator if you have any questions, need assistance, or to submit your completed application.
